

Privacy policy

Introduction

Welcome to naturechain-coin.com. Our commitment to your privacy is paramount. This Privacy Policy is intended to inform you of our practices regarding the collection, use, and disclosure of information that you may provide or that we may collect during your use of our Services. This policy is effective as of May 18, 2024 and applies to all users worldwide. At naturechain-coin.com, we understand the importance of privacy in the crypto age and are committed to protecting your personal information and transaction data with the highest level of security. By accessing or using our Services, you consent to the collection and use of information in accordance with this Policy.

Information collection

Personal information: We collect personal information only when necessary to provide our services or when you voluntarily provide it to us. This includes, but is not limited to, your name, email address, and wallet addresses. Our main goal in collecting personal information is to provide you with a secure, smooth, and personalized experience. **Transaction Information:** Our platform uses the Privacy Bridge Protocol to process transactions in a way that prioritizes your anonymity. We do not store any transaction data that could be directly associated with your personal identity, ensuring an extra layer of privacy and security for our users. **Cookies and analytics:** To improve your experience on our website, we use cookies and similar tracking technologies. These cookies help us understand how our services are used and allow us to continuously improve our platform. The data collected through cookies is aggregated and anonymized so that it cannot be used to identify you personally.

Use of Information

The information we collect serves several purposes:

- To provide, operate, and maintain our Services efficiently.
- To personalize our services and offer tailored features to meet your needs.
- To understand user interaction with our Services so that we can improve and refine our offerings.
- To communicate with you directly or through our partners to provide customer support, provide updates, and provide information about our services.
- To naturechain-coin.com you emails and updates in accordance with your subscription preferences.

Sharing and Disclosure

Third

At naturechain-coin.com, your privacy is our top priority. We do not sell, trade, or transfer your personal information to outside parties without your consent. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing our users, so long as those parties agree to keep this information confidential. For the purposes set forth in this Policy, we may also share aggregated, non-personal information with our partners and advertisers.

Regulatory Compliance

In certain circumstances, naturechain-coin.com may be required to disclose your personal information if required to do so by law or in response to legitimate requests by public authorities (e.g., a court or government agency). We may disclose your personal information if we have a good faith belief that such action is necessary to:

Comply with a legal obligation

- Protect and defend the rights or property of naturechain-coin.com.
- Prevent or investigate possible misconduct in connection with the Service.
- Protect the personal safety of users of the Service or the public.
- Protect yourself from legal liability.

Anonymized data exchange

We may share or disclose aggregated or anonymized information that does not directly identify you to third parties for research, marketing, analytics, or other purposes to ensure compliance with our privacy standards.

Data integrity

Naturechain-coin.com takes the security of your personal information seriously. We implement various security measures to ensure the safety of your personal information when you enter, submit, or access your personal information. These measures include encryption, firewalls, and Secure Socket Layer (SSL) technology to protect your personal information, usernames, passwords, transaction information, and data stored on our website from unauthorized access, alteration, disclosure, or destruction. Despite our best efforts, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Although we strive to protect your personal information by commercially acceptable means, we cannot guarantee its absolute security.

Your privacy rights

At naturechain-coin.com, we not only respect your privacy, but also enable you to exercise your data protection rights:

Access and correction

You have the right to access the personal data we hold about you and to request that we correct, amend or delete such data if it is inaccurate or processed in breach of data protection laws.

Withdrawal of consent

You have the right to withdraw your consent at any time if naturechain-coin.com relied on your consent to process your personal data. Please note that this does not affect the lawfulness of the processing prior to the withdrawal of your consent.

International data transfers

International business and compliance:

As a result of our global operations, your information, including personal information, may be transferred to and stored on computers located outside of your state, province, country or other governmental jurisdiction where data protection laws may differ from your jurisdiction. Naturechain-coin.com is committed to treating your information with the utmost care and in compliance with the highest standards of data protection; regardless of where they are processed. Protection of international transfers: To ensure that your personal data receives an adequate level of protection when transferring internationally, naturechain-coin.com has used standard contractual clauses approved by the European Commission, relies on the EU-US Privacy Shield Framework or uses other means under European Union law for data transfer and security.

Children's privacy

Protection of Children's Information: Our Service is not directed to anyone under the age of 13 ("Children"). We do not knowingly collect personal information from anyone under the age of 13. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us. If we discover that we have collected personal information from children without verifying parental consent, we take steps to remove that information from our servers.
